NUMERACY EXAM
NOVEMBER

Unit 1 TUES November 5th
Unit 2 THUR November 7th

EXAM DATES
All pupils sat a mock Numeracy exam a few weeks ago.
- They have all had feedback and now have a complete set of solutions
- RAG rated question by question
- List of topics to work on to improve

**MOCK RESULTS**

Every pupil has been given a checklist
- Need to work closely with the checklist to check understanding of each topic
- Any topics unsure about there is still time to put it right

**CHECKLISTS**
HOW TO REVISE MATHS

- **PAST PAPERS**
- Pupils will have 6 sets of past papers - 12 papers in total.
- Ensure they have full solutions to all of these.
- Ensure all solutions are understood.

ADDITIONAL EXAM QUESTIONS

- **WJEC PAST PAPERS**
- **APPLICATIONS OF MATHEMATICS**
- **UNIT 1 from Unitised scheme pre 2016**
Any questions pupils find difficult they need to identify the topic and refer to their green exercise books to revise the topic.

**GREEN BOOKS**

- Mymaths - every pupil has a Mymaths login - useful lessons on here.
- Jones the Sum  [http://www.jonesthesums.co.uk/](http://www.jonesthesums.co.uk/)

**USEFUL WEBSITES**
HALF TERM REVISION SESSIONS

WEDNESDAY OCTOBER 30th

FOUNDATION  9.30 a.m – 10.30 a.m
INTERMEDIATE  11a.m  - 12.30 p.m
HIGHER  1p.m – 2.30 p.m

HALF TERM REVISION SESSIONS

FRIDAY NOVEMBER 1st

FOUNDATION  9.30 a.m. – 10.30 a.m.
INTERMEDIATE  11a.m. – 12.30 p.m.
HIGHER  1p.m. – 2.30 p.m.

HALF TERM REVISION SESSIONS
1. Ensure you have the correct equipment – protractor, compasses and calculator for Unit 2.

2. Read the question carefully – highlighters can be useful.

3. Show working – out of 80 marks, 32 were for method only.

4. If you can’t initially see your way through to the final answer work in small stages – the answer may become apparent as you work through.

5. Ensure you answer the question asked e.g. Which is better value. Who had the most, By how much - these are explanation marks. Valuable marks are often lost in this way.

ADVICE

1. In most Numeracy questions the maths required is not difficult it’s deciding what to do that can be difficult.

2. Think. Should my answer be bigger or smaller.

3. Use all the available time.

5. For the True/False and multiple choice questions try to work it out before making your decision.

ADVICE
