

Ref: PED/dd

9th December 2019

Dear Parent/Carer

You will be aware that the school underwent a full ESTYN Inspection in October.

The report from the inspection has now been completed, and is available for parents and the general public to read.

An electronic copy can be accessed from our website:

www.ysgolbrogwaun.com

or from the ESTYN website at:

www.estyn.gov.wales

Paper copies are available by request from the school. Please email:

office@ysgolbrogwaun.com Please stipulate if you would prefer a Welsh or English version.

On behalf of the school, its governors and all of the pupils, may I thank those parents/carers who completed questionnaires, and/or attended the parental consultation evening held by ESTYN during the inspection week.

Your contribution has helped to produce a positive picture of the school, giving us a strong platform on which to continue our improvement journey.

Yours sincerely

Mr P Edwards
Headteacher
