

Ysgol Bro Gwaun

Pennaeth / Headteacher: Mr Paul Edwards

Ref: PED/dd

13th October 2020

Dear Parent / Guardian,

We have been informed that an individual in Year at our school has tested positive for COVID-19. We would like to reassure you that there is no immediate cause for concern and provide you with as much information as possible.

We are working closely with Pembrokeshire County Council and NHS Wales Test, Trace, Protect (TTP), and are following all the advice and guidance provided to us.

This process of testing and contact tracing is part of the 'new normal' and where schools follow these guidelines carefully, there is no cause for alarm.

Pupils in Year 11 have been identified as potentially coming into close contact with the individual that has tested positive. **Therefore, as a further precaution, we have requested that Year 11 pupils work from home for the remainder of this week, leading into the extended half term holiday beginning on Monday 19th October.** The TTP Team will contact individual parents/pupils with further advice. All Year 11 pupils are expected to engage with their teachers via Google Classrooms in accordance with their normal timetable.

We would like to take this opportunity to remind you that if you, your child or anyone you live with, begins to display the following symptoms you must all stay at home and follow advice from Public Health Wales:

A new continuous cough and/or
A high temperature
A loss of or change in your normal sense of taste or smell.

Hywel Dda University Health Board recommends testing only for those with a new continuous cough, a high temperature, or loss of or change in the sense of taste or smell.

If a child does not have symptoms of COVID-19 but has other cold-like symptoms, such as a runny nose, they do not need to be tested and they and you do not need to self-isolate. Your child can go to school if fit to do so.

If a COVID-19 test is required, this should be arranged via the UK Booking Portal, <https://gov.wales/apply-coronavirus-test> or by ringing 119. Testing is available within Carmarthenshire, Ceredigion and Pembrokeshire or via a home testing kit delivered to and collected from your home. The COVID-19 test is undertaken via a throat swab or combined throat and nose swab.

If your child becomes unwell outside of school hours, with or without any of the COVID-19 symptoms, please report this to us by emailing education.coronavirus@pembrokeshire.gov.uk who will notify the school on your behalf.

During school hours and for all other health-related issues please inform your school directly.

If you or your child feels unwell and you need medical advice, please phone NHS 111 or visit their website 111.wales.nhs.uk, or call your local GP.

It is important that we all remain vigilant and maintain social distancing and continue to wash our hands frequently and practice good respiratory hygiene to prevent the spread of the virus as much as we can. We hope that the information we've provided is reassuring and helpful during what we appreciate can be an anxious time. Having implemented all necessary procedures as guided by Public Health Wales and our Local Authority, the school continues to be fully operational for all pupils in Years 7 to 10.

Yours sincerely

Mr P Edwards
Headteacher
