Non-Exam Assessment Policy

Outlining staff responsibilities – GCSE non-exam assessment

Head of Centre

- Ensures that this policy is fit for purpose.
- Ensures the centre's internal appeals procedures clearly detail the procedure to be followed by candidates (or their parents/carers) appealing against internally assessed marks

Senior Leadership Team

- Accountable for the safe and secure conduct of non-exam assessments. Ensure assessments comply with JCQ guidelines and awarding bodies' subject-specific instructions.
- At the start of the academic year, begin coordinating with heads of department/subject to schedule non-exam assessments. (It is advisable that non-exam assessments be spread throughout the academic years of Key Stage 4.)
- Map overall resource management requirements for the year. As part of this resolve:
 - clashes/ problems over the timing or operation of non-exam assessments
 - issues arising from the need for particular facilities (rooms, IT networks, time out of school, etc.).
- Ensure that all staff involved have a calendar of events.
- Create, publish and update an internal appeals policy for non-exam assessments.
- Ensure any allegations of malpractice are dealt with in accordance with JCQ Suspected Malpractice in Examinations and Assessments.

Heads of Department/Faculty

- Ensure that at least 40 per cent of overall assessment (non-exam and/or external assessment) is taken in the exam series in which the qualification is certificated, to satisfy the terminal assessment requirement in accordance with the awarding body specification. (GCSE Welsh 2nd Language requires at least 75% as the terminal rule)
- Supply to the exams office details of all unit codes for non-exam assessments.
- Standardise internally the marking of all teachers involved in assessing an internally assessed component.
- Ensure that individual teachers understand their responsibilities with regard to non-exam assessment.
- Ensure that individual teachers understand the requirements of the awarding body's specification and are familiar with the relevant teachers' notes, and any other subject-specific instructions.
- Where appropriate, develop new assessment tasks or contextualise sample awarding body assessment tasks to meet local circumstances, in line with awarding body specifications and control requirements.

- Ensure the sample requested by the awarding body is processed correctly and posted requesting 'proof of posting' or uploaded onto the secure site as requested.

Teaching Staff

- Understand and comply with the general guidelines contained in the current JCQ publication *Instructions for conducting non-exam assessments*.
- Understand and comply with the awarding body specification for conducting non-exam assessments, including any subject-specific instructions, teachers' notes or additional information on the awarding body's website.
- Obtain confidential materials/tasks set by awarding bodies in sufficient time to prepare for the assessment(s) and ensure that such materials are stored securely at all times.
- Supervise assessments (at the specified level of control). Undertake the tasks required under the regulations, only permitting assistance to students as the specification allows.
- Ensure that students and supervising teachers sign authentication forms on completion of an assessment as required.
- Mark internally assessed components using the mark schemes provided by the awarding body. Submit marks through the awarding bodies secure website when required, keeping a record of the marks awarded.
- Retain candidates' work securely between assessment sessions (if more than one).
- Post-completion, retain candidates' work securely until the closing date for enquiries about results. In the event that an enquiry is submitted, retain candidates' work securely until the outcome of the enquiry and any subsequent appeal has been conveyed to the centre.
- Ask the appropriate additional learning needs coordinator (ALNCO) for any assistance required for the administration and management of access arrangements.
- Understand and comply with the Safe and Appropriate use of AI policy, specifically when authenticating work.

Exams Office Staff

- Enter students for individual units, whether assessed by non-exam assessment, external exam or on-screen test, before the deadline for final entries.
- Enter students' 'cash-in' codes for the terminal exam series.
- Where confidential materials are directly received by the exams office, to be responsible for receipt, safe storage and safe transmission, whether in CD or hard copy format.
- Ensure teaching staff have secondary accounts for the awarding bodies secure website and access to input assessment marks.
- On the few occasions where non-exam assessment cannot be conducted in the classroom arrange suitable accommodation where non-exam assessment can be carried out, at the direction of the senior leadership team.

Additional learning needs coordinator

- Ensure access arrangements have been applied for.
- Ensure that staff are informed of candidates with access arrangements at the start of the course, allowing arrangements to be made in class and in non-exam assessments.

Risk management process

Example risks and issues	Possible remedial action		Staff
	Forward planning	Action	
Timetabling			
Assessment schedule clashes with other activities	Plan/establish priorities well ahead (e.g. start of academic year) for all subjects or lines of learning	Plan dates in consultation with school calendar – negotiate with other parties	Head of Centre/Head of Department.
Too many assessments close together across subjects or lines of learning	Plan assessments so they are spaced over the duration of the course	Space assessments to at least allow candidates some time between assessments	Head of Centre/Head of Department.
Accommodation			
Insufficient space in classrooms for candidates	Once group sizes are known at the start of the year, flag instances where regular classroom space may not be suitable to conduct non-exam assessment	Use more than one classroom or multiple sittings where necessary	Data Manager
Insufficient facilities for all candidates	Careful planning ahead and booking of rooms/centre facilities		Data Manager
